

## Tennessee Valley Authority

## § 1314.6

§ 1314.5(c), is governed by the law determined in the manner specified in paragraph (d) of this section.

(c) If the jurisdiction specified in the first sentence of paragraph (b) of this section is a State that has not adopted Revised Article 8, then the law specified in paragraph (b) of this section shall be the law of that State as though Revised Article 8 had been adopted by that State.

(d) To the extent not otherwise inconsistent with this part 1314, and notwithstanding any provision in the Securities Documentation setting forth a choice of law, the provisions set forth in 31 CFR 357.11 regarding law governing other interests apply and should be read as though modified to effectuate the application of 31 CFR 357.11 to Book-entry TVA Power Securities.

[62 FR 920, Jan. 7, 1997; 62 FR 8619, Feb. 26, 1997, as amended at 62 FR 29288, May 30, 1997]

### § 1314.5 Creation of Participant's Security Entitlement; security interests.

(a) A Participant's Security Entitlement is created when a Reserve Bank indicates by book-entry that a Book-entry TVA Power Security has been credited to a Participant's Security Account.

(b) A security interest in a Security Entitlement of a Participant in favor of the United States to secure deposits of public money, including without limitation deposits to the Treasury tax and loan accounts, or other security interest in favor of the United States that is required by Federal statute, regulation or agreement, and that is marked on the books of a Reserve Bank, is thereby effected and perfected, and has priority over any other interest in the securities. Where a security interest in favor of the United States in a Security Entitlement of a Participant is marked on the books of a Reserve Bank, such Reserve Bank may rely, and is protected in relying, exclusively on the order of an authorized representative of the United States directing the transfer of the security. For purposes of this paragraph, an "authorized representative of the United States" is the official designated in the applicable regulations or agreement to which a Reserve Bank is

a party governing the security interest.

(c) TVA and Reserve Banks have no obligation to agree to act on behalf of any Person or to recognize the interest of any transferee of a security interest or other limited interest in favor of any Person except to the extent of any specific requirement of Federal law or regulation or to the extent set forth in any specific agreement with the Reserve Bank on whose books the interest of the Participant is recorded. To the extent required by such law or regulation or set forth in an agreement with a Reserve Bank or in a Reserve Bank Operating Circular, a security interest in a Security Entitlement that is in favor of a Reserve Bank or a Person may be created and perfected by a Reserve Bank marking its books to record the security interest. Subject to paragraph (b) of this section with respect to a security interest in favor of the United States, a security interest in a Security Entitlement marked on the books of a Reserve Bank shall have priority over any other interest in the securities.

(d) In addition to the method provided in paragraph (c) of this section, a security interest, including a security interest in favor of a Reserve Bank, may be perfected by any method by which a security interest may be perfected under applicable law as described in § 1314.4(b) or (d). The perfection, effect of perfection or non-perfection, and priority of a security interest are governed by such applicable law. A security interest in favor of a Reserve Bank shall be treated as a security interest in favor of a clearing corporation in all respects under such law, including with respect to the effect of perfection and priority of such security interest. A Reserve Bank Operating Circular shall be treated as a rule adopted by a clearing corporation for such purposes.

### § 1314.6 Obligations of TVA.

(a) Except in the case of a security interest in favor of the United States or a Reserve Bank or otherwise as provided in § 1314.5(c), for the purposes of this part 1314, TVA and Reserve Banks

#### § 1314.7

shall treat the Participant to whose securities account an interest in a Book-entry TVA Power Security has been credited as the Person exclusively entitled to issue a transfer message, to receive interest and other payments with respect thereof, and otherwise to exercise all the rights and powers with respect to such security, notwithstanding any information or notice to the contrary. Neither TVA nor the Reserve Banks are liable to a Person asserting or having an adverse claim to a Security Entitlement or to a Book-entry TVA Power Security in a Participant's Security Account, including any such claim arising as a result of the transfer or disposition of a Book-entry TVA Power Security by a Reserve Bank pursuant to a transfer message that the Reserve Bank reasonably believes to be genuine.

(b) The obligation of TVA to make payments with respect to Book-entry TVA Power Securities is discharged at the time payment in the appropriate amount is made as follows:

(1) Interest or other payments on Book-entry TVA Power Securities are either credited by a Reserve Bank to a Funds Account maintained at such bank or otherwise paid as directed by the Participant.

(2) Book-entry TVA Power Securities are redeemed in accordance with their terms by a Reserve Bank withdrawing the securities from the Participant's Security Account in which they are maintained and by either crediting the amount of the redemption proceeds, including both principal and interest, where applicable, to a Funds Account at such bank or otherwise paying such principal and interest as directed by the Participant. No action by the Participant ordinarily is required in connection with the redemption of a Book-entry TVA Power Security.

#### § 1314.9 Waiver of regulations.

TVA reserves the right in TVA's discretion to waive any provision of the regulations in this part in any case or class of cases for the convenience of TVA or in order to relieve any Person of unnecessary hardship, if such action is not inconsistent with law and does not adversely affect any substantial existing rights, and TVA is satisfied that such action will not subject TVA to any substantial expense or liability.

#### § 1314.10 Additional provisions.

(a) *Additional requirements.* In any case or any class of cases arising under the regulations in this part, TVA may require such additional evidence and a bond of indemnity, with or without surety, as may in the judgment of TVA be necessary for the protection of the interests of TVA.

(b) *Notice of attachment for TVA Power Securities in Book-entry System.* The interest of a debtor in a Security Entitlement may be reached by a creditor only by legal process upon the Securities Intermediary with whom the debtor's securities account is maintained, except where a Security Entitlement is maintained in the name of a secured party, in which case the debtor's interest may be reached by legal process
